Subject: Value Plastics Inc. dba Nordson Medical (Loveland, CO) ISO 9001 Status Change

Dear Valued Customer,

Beginning June 15, 2019, Value Plastics Inc. dba Nordson Medical (Loveland, CO) will be discontinuing its ISO 9001:2015 certification. The company will continue to be certified to ISO 13485:2016 and maintain all current processes in accordance with cGMP and best practices. This change will allow our company to better serve you in our core competency of medical manufacturing and align with Nordson MEDICAL as a whole. We are happy to work with you to update any company information that may result from this changed certification status.

We will continue to provide you with the same outstanding products and services you've come to expect with increased resources and technologies as an integrated solutions partner. As a Nordson MEDICAL customer, you will still have access to a team of over 1500 employees across 16 global locations with industry leading products and services:

DESIGN & DEVELOPMENT	COMPONENTS & TECHNOLOGIES	FINISHED DEVICE SOLUTIONS
<ul style="list-style-type: none">• Concept generation• Product design & engineering• Rapid prototyping• Project management• New product introduction• Testing & validation• Quality & regulatory services	<ul style="list-style-type: none">• Medical Balloons• Heat Shrink• Engineered shafts• Film cast microtubing• Extrusions• Fluid management components• Polymer solution casting• Nitinol	<ul style="list-style-type: none">• Full service manufacturing• Finished devices & subassemblies• Global manufacturing sites• Dedicated transfer teams• Supply chain management• Robust continuous improvement

Should you have additional questions, please contact your Nordson MEDICAL representative or email us at sales@nordsonmedical.com. Thank you for your business, and we look forward to supporting your ongoing success.

Sincerely,

David Titone
