**RE:** Parts subject to discontinuation from Nordson MEDICAL offerings

**Parts Affected:** Please see table below

Dear Valued Customer,

You are receiving this notice because your company has purchased, or sampled, the parts referenced below from Nordson MEDICAL in the past 24 months. After reviewing our portfolio, Nordson has decided to eliminate a select number of its legacy products. This was done to keep our operations streamlined, maintain best-in-class service, as well as offset cost pressures.

We will be making every effort to insure that this transition has a minimal impact on our customers. Please consult with your Account Manager for suggested alternatives and options if you would like to make a last time purchase that falls within the purview of our inventory and minimum order quantities required.

You may download complete details of this change from our website using the following link and the reference number: **1294415**.
