## Product Change Notification

**Product Change #: 252 Affecting 'Straight Through Tube Fittings' N410, and N210 in all materials**

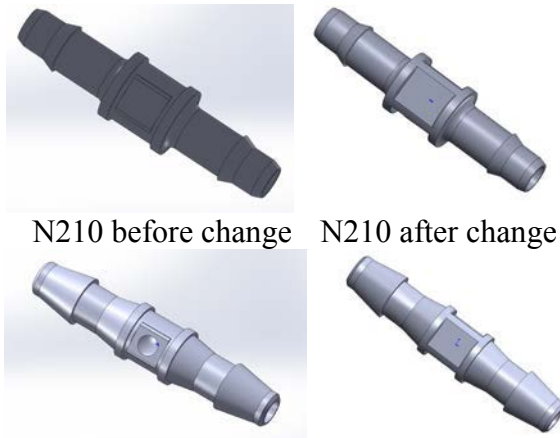

**Posting Date: April 21, 2014**

### Description of Change:

The exterior of the middle section of N410 and N210 will change from a round exterior to a square one.

There will be no change to current part numbers, materials or to the internal flow path diameter of the products.

N410 before change      N410 after change

### Reason:

This change was necessary to allow for automatic de-gating of the part in the manufacturing process to improve product quality.

### Parts Affected:

The Value Plastics part numbers affected by this change include:

N410 in -1 White Nylon, -2 Black Nylon, -6005 Animal Free Natural

Polypropylene and –J1A Natural Kynar PVDF

N210 in -1 White Nylon, -2 Black Nylon, -6005 Animal Free Natural Polypropylene, -9 Clear Polycarbonate and –J1A Natural Kynar PVDF

Effective Date: N410: July 21, 2014 N210: October 21, 2014

Implementation Procedure:

Implementation will be a running change with no scrap planned.
