Notes:

Value Plastics, INC. dba Nordson MEDICAL, certifies that the products referenced below are manufactured to comply with all technical specifications stated on the Value Plastics website, stated in the current catalog and referenced on current part drawings found at www.valueplastics.com.
 Value Plastics Certifies:

PLEASE NOTE – ALL PARTS WITH LOTS GREATER THAN 150000 WERE MANUFACTURED IN OUR NEW LOVELAND FACILITY. PLEASE SEE THE MASTER VALIDATION PLAN LOCATED ON OUR WEBPAGE http://www.nordsonmedical.com/news/mfg_facility_location.aspx FOR DETAILS RELATED TO THIS CHANGE.

REQUIREMENTS	COMPLIANT
Product Inspections	All products manufactured by Value Plastics are visually inspected to a 0.65 AQL. Value Plastics sample sizes are based on ANSI/ASQCZ 1.4 Table II-A single-sampling plans. Value Plastics does not perform C=0 inspections unless specified.
Manufacturing Process	Value Plastics injection molding processes and secondary operations are conducted in an environment that meets ISO standard 14644-1 Class 8 for clean rooms.
Regulatory Requirements	A comprehensive list of the most up to date regulatory compliance information is available at www.valueplastics.com/tech/material_information.aspx Because of possible changes in the law and/or in regulations, we encourage our customers to periodically verify the status of the regulatory compliance. Please be informed that Value Plastics relies on information provided by our suppliers and vendors, whose materials make up the sole content of our products. There are no processing agents or mold releases used in the manufacture of our products. Value Plastics does not test or analyze these materials for ANY specified regulatory requirements, therefore, customers and end-users must make their own determinations ensuring the use of these products are safe, lawful and suitable for their intended applications.
Change Notification	Most Value Plastics, Inc. products are our proprietary designs. Visit www.valueplastics.com/tech/product_changes_notification.aspx for details of our product notification policy.

Jordan Berkel
