Shop online for cost-effective solutions that connect fluid management systems. Our components join flexible tubing assemblies, allowing you to easily regulate the flow of valuable media. With thousands of components available in a variety of style and material combinations, you’re sure to find the right component for your application.

**BUY ONLINE AT NORDSONMEDICAL.COM/SHOP**

You’ll find the broadest selection of luer fittings with connections ranging from 1/16” (1.6 mm) to 1/4” (6.4 mm) IDs, tube-to-tube fittings in straight, Y, multiport, elbow, and tee configurations, and thousands of quick connect styles. We also offer devices like stopcocks and check valves that regulate directional flow.

With more than 9,600 plastic tubing components, Nordson MEDICAL has the largest selection of fluid management solutions in the industry, including the Value Plastics line of components.

- Quick-connect couplings
- Stopcocks
- Sanitary fittings or couplers
- Luer fittings and connectors
- Alternatives to luer fittings / ISO 80369 compliant parts
- Check valves
- Tubing fittings and connectors up to 1” (25.4 mm) ID
- Fittings and connectors joining plastic tubing to threaded ports
