   Nordson MEDICAL Design and Development, Inc

2. Business name/disregarded entity name, if different from above

3. Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.
   - Individual/elect propagator or single-member LLC
   - Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership)
   - Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

   - Exempt payee code (if any) 5
   - Exemption from FATCA reporting code (if any)

5. Taxpayer Identification Number (TIN)
   Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a name, see How to get a TIN, later.

   1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

   3. I am a U.S. citizen or other U.S. person (defined below); and
   4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

7. General Instructions
